About This Content

The “Love in the Glen” Official Soundtrack features music composed and produced by Antonio Lorenzo Carino. Relive this romantic and charming story through the enchanting, stylish and classy music that served as the soundtrack of this visual novel.

This soundtrack consists of mostly smooth jazz and lounge tracks but also features a sprinkling of variety with a few tracks inspired from West Coast pop culture!

English

I actually bought the game because of this soundtrack. It's nothing too special to be honest, but I happened to like a lot. Get it on a good sale and enjoy!
