

## Sakray BRO - Renewal CPY

The screenshot displays a Windows desktop environment. In the foreground, the OpenKore application is open, showing a console window with Thai text and a 'Master servers' dialog box. The dialog box lists various server profiles such as AegisRO, Brazil - bRO: Thor, and International - iRO: ReiStart. To the right, a file explorer window shows a directory listing of files and folders, with 'wxstart.exe' highlighted. Below the file explorer, a social media comment section is visible, containing a list of instructions in Thai: 1. download new openkore, 2. dont add server, 3. run wxstart or start, 4. (blank). The desktop background is a light blue gradient, and the taskbar at the bottom shows the Start button, system tray, and the date/time '17:29 9/9/2560'.
